Chairman Steve Hill  
Las Vegas Stadium Authority Board  
6385 S. Rainbow Blvd., Suite 105  
Las Vegas, NV 89118

Dear Chairman Hill:

Our sincere thanks to the Las Vegas Stadium Authority Board and to the Raiders for your time and effort in making a domed, NFL-ready stadium a priority for southern Nevada. We are grateful for your hard work ensuring UNLV continues to be an important partner in this great opportunity.

The partnership among the Raiders, the Las Vegas Stadium Authority Board and the Nevada System of Higher Education is not just about football. It is about building a better community for all Nevadans.

We've been asked many times about ongoing discussion of the joint use agreement among the parties. Without getting into the finer points of negotiations, we can say we are making great strides from where we began our conversations with the Raiders and have reached consensus on many items. There is still work to be done but we are optimistic about achieving the desired results to the benefit of all parties.

We look forward to our continued work with the Raiders and the Las Vegas Stadium Authority Board to give UNLV football – and the great fans – access to a stadium and an accompanying game day experience that will rival the best in college football.

Cordially,

Thom Reilly  
Chancellor  
Nevada System of Higher Education

Len Jessup  
President  
University of Nevada, Las Vegas
