APPLICATION PROCESS

A SUMMARY GUIDE THROUGH THE APPLICATION PROCESS

- Determine the appropriate application you need to submit. For assistance with determining the appropriate application, call (702) 455-4314 (Option 2, Option 1) or email zoning@clarkcountynv.gov.
- Review the applicable application form and corresponding submittal requirements.
- Compile all required application documents in PDF format (regardless of format specified in the submittal requirements).
- Go to the County's [Citizen Access Portal](#) (ACA) to create an Application Pre-review online and upload all required application documents. Note: Only 1 Application Pre-review is required per project. For example, if you are proposing a Waiver of Development Standards, Design Review, and Tentative Map on the same property, you only need one Application Pre-review.
- At the time the Application Pre-review upload is complete, the record will be placed in the queue for assignment. The application documents will be reviewed for completeness and, if generally complete, will be distributed in accordance with availability of staff and on a first-come, first-serve basis. The Application Pre-review may take up to 2 working days to be assigned and distributed to a Planner and Public Works (collectively referred to as "staff").
- Once received, staff will review the application documents and provide comments and/or next steps within 5 working days.
- When the application materials are deemed to be complete, accurate and ready for submittal staff will direct you to provide hard-copies of all required application materials (those listed on the submittal requirements with numbers) to the Department of Comprehensive Planning. Documents may be dropped-off in person or sent by mail. If by mail, please do not include the form of payment with the package. The delivery of all application packages must be coordinated directly with the assigned planner. Note: If changes are made to documents after Application Pre-review is deemed complete, accurate, and ready for submittal, a new Application Pre-review will be required.
- Upon receipt of application materials, staff will re-review materials for consistency with what was previously reviewed, accuracy, and completeness. If deemed ready to submit, the Planner will apply fees for payment. Payments must be coordinated directly with the assigned planner. If the application fees will be paid through ACA, the application Correspondent and Interested Party (if provided in ACA) will receive notice that application fees are ready to be paid.
- Once fees are paid, the application will be considered "Submitted".
- At the time of submittal, you will be scheduled for all required meeting dates. Depending upon the application, you may be scheduled to appear at the Town Advisory Board or Citizens' Advisory Council (TAB/CAC) for the area and the Clark County Planning Commission and/or Board of County Commissioners. See Application Processing Calendar for more information.
- For Administrative Design Reviews, the Zoning Administrator will issue a decision on the application 10 working days from the Friday after the Application Date as illustrated on the Application Processing Calendar.
- Project revisions after submittal and/or failure to appear at any meeting may result in delays and/or extra expense.
- Staff recommendations will be mailed to the application Correspondent 3 working days prior to the public hearing. To discuss a recommendation, contact the appropriate Department/Agency prior to hearing. NOTE: Does not apply to Administrative Design Reviews.
- A letter indicating final action, including all conditions of approval (if applicable), will be mailed to application Correspondent 6 working days after final action.
- All conditions must be met prior to the issuance of a building permit, business license, and/or certificate of completion/occupancy, as applicable. If a tentative map and/or vacation, all conditions must be met before a map and/or order of vacation can record.
- Time limits to complete, commence, or review are the applicant's responsibility. There will be no notification from the Department for expiration or review dates.
