**Re: Boring Company Vegas Loop Transportation Master Plan**

Dear Ms. Amundsen,

We have reviewed the preliminary Vegas Loop Alignment and Stations conceptual plan prepared by the Boring Company.

Although Allegiant Stadium was developed and will be operated by LV Stadium Events Company, as you know, we transferred ownership of the land to the Clark County Stadium Authority. Therefore, we are not in a position to execute the Land Use Application as "owner of record on the Tax Rolls."

We will, however, request that the Stadium Authority approve the Land Use Application at its next regularly scheduled board meeting.

Additionally, as the long-term lessee and operator of the Stadium, we are in strong support of the project and look forward to its speedy completion.

Sincerely,
