

Las Vegas Stadium Authority
Solicitation of Interest: Community Benefits Director

The Las Vegas Stadium Authority is seeking qualified candidates for appointment to the Community Benefits Director position. This individual will play a crucial role in advising the **Baseball Stadium Community Oversight Committee** and ensuring compliance by the **developer partner** and the **Baseball Stadium Events Company** with the terms outlined in the **Baseball Community Benefits Agreement**. The Stadium Authority Board will appoint the Community Benefits Director, who will serve as an independent monitor and advisor.

Key Responsibilities:

- Serve as staff to the Baseball Stadium Community Oversight Committee.
- Monitor and assess compliance with the Baseball Community Benefits Agreement.
- Work collaboratively with stakeholders, including community organizations, developers, the State of Nevada, Clark County, the Stadium Authority Board, and the Baseball Stadium Events Company.
- Provide reports and recommendations to the Stadium Authority Board regarding community benefits initiatives and obligations.
- Ensure transparency and accountability in the execution of community benefit commitments.

Eligibility Requirements:

Candidates **cannot** be appointed Community Benefits Director if they: (a) Have **not resided in Clark County, Nevada**, for at least **five (5) years** immediately preceding the appointment date. (b) Are **employed by** the **Major League Baseball team** or any **affiliate or related entity** of the team. (c) Are **employed by** or directly provide **goods or services** to the **Major League Baseball stadium project** or any **affiliate or related entity** of the stadium project.

Application Process:

Interested candidates should submit a **professional summary (maximum two pages)** detailing their relevant experience and qualifications that make them well-suited for this position. The summary should highlight expertise in:

- Community engagement and outreach.
- Compliance monitoring and enforcement.
- Public policy and stakeholder relations.

Submission Details:

- The Community Benefits Director will be a paid contractor to the Stadium Authority. This position is expected to require approximately 250 hours of effort per year.
- Applicants should have a demonstrated history of working within the Las Vegas community, particularly with youth sports initiatives, educational programs, or diverse community groups.
- The **Baseball Community Benefits Agreement** can be reviewed [here](#).
- Please submit your letter of interest, professional summary, and requested hourly billing rate to afradella@lvstadiumauthority.com by **April 5, 2025**.

For further inquiries, please contact afradella@lvstadiumauthority.com.

The Las Vegas Stadium Authority is committed to a fair and transparent selection process. We encourage qualified candidates who meet the eligibility criteria to apply for this vital role in shaping the community benefits of the new Major League Baseball stadium project.
